

CHICAGO & ALTON IN RECEIVERS HANDS

GREAT FALLING OFF IN EARNINGS AND STRIKES IS CAUSE

Resulting in This Action Was Filed by
Texas Company of New York on Claim of
About \$33,000—Total Indebtedness it
is Estimated, Will Run to \$14,000,000

CHICAGO, Aug. 30.—The Chicago & Alton railroad is placed in the hands of receivers in federal court today Judge Carpenter. W. G. Beird, president, and W. W. Attkin, an attorney, were named as the receivers. According to a statement by Silas H. Strawn, appointed counsel for the receivers, the receivership was precipitated principally by the great falling off in earnings of the company due to the coal strike and by the extra expenses due to the shopmen's strike. The suit resulting in the receivership was filed by the Texas company of New York and Chicago, a creditor with claim of about \$33,000. At the offices of Mr. Strawn, it is stated the receivership will not in any way change operation of the road's trains. Mr. Strawn said the board of directors of the road met in New York today admitted the road's insolvency. The total indebtedness, it was estimated, will amount to about \$14,000,000. What the assets total is at this juncture impossible to say, Mr. Strawn said.

AL LEGISLATION BRINGS STORM OF TALK-NO RESULTS

House Forced to Quit Wednesday With- out Action

(By The Associated Press)
WASHINGTON, Aug. 30.—After rejecting all amendments to administration coal distribution bill the house ran into an expected storm of talk late today and was forced to quit without reaching a vote. Every change proposed was either thrown out on a point of order or decisively defeated. At the end of the all day wrangle, Chairman Winslow of the interstate commerce committee who is in charge of the measure dictated it would go thru as amended. As the house worked on the measure which its supporters hoped would meet the emergency caused by the coal and rail strikes, word reached leaders that attempts to settle the anthracite strike might succeed. At that the senate was ready to pass up house coal bills as soon as it was thru with the bonus. President's Harding's original suggestion for creation of a buy-and-sell coal agency was before the house by Representative Anderson, Republican, Minnesota with a provision indirectly authorizing seizure of mines if found necessary in connection with agency activities. It went out on a point of order. Advised that an amendment authorizing the president to take over the railroads and in the event of "grim necessity," would put in the same swift fashion measures favoring such legislation, announced that nothing was to be gained by courting certain factions. With little ceremony the house laid down an amendment delegating the distribution powers to the interstate commerce commission in case of federal fuel distributor and the senate later adopted an amendment fixing the distributor's salary at \$7,500. Representative Fairchild, Republican, New York found few favoring his proposal that coal should be sold at a "reasonable price to the ultimate consumer." An unsuccessful attempt was made by Representative Denison, Republican, Illinois to strike out some members characterizing as the heart of the bill, the provision that the fuel distributor in trying to meet the emergency should prevent extortion in prices charged for coal other fuel.

JURY RETURNS ITS FIRST INDICTMENT IN MINE SLAYINGS

Grand Jury Probing Herrin Mine War Makes Progress

(By The Associated Press)
MARION, Ill., Aug. 30.—The first indictment in connection with the Herrin massacre in which 23 persons were killed on June 21 and 22 was returned this afternoon by the special grand jury investigating the mine war. The name of the person indicated was withheld pending arrest. The investigation of the grand jury also was marked by the appearance here of state officials of the Illinois mine workers, including Frank Farrington, president, who issued a statement tonight charging "forces have combined to convict our members." Immediately upon their arrival the miners' officials went into conference with A. W. Kerr, chief counsel of the miners, which lasted several hours. After the meeting Mr. Farrington issued the following statement: "The Illinois Miners' Union already has pledged every means at its command to the defense of any and all of its members that may be indicted in connection with the trouble at the strip mine of the Southern Illinois Coal company. Our legal force has been on the ground for some time and I am here today with Vice-President Harry Pliskwick, Secretary-Treasurer Walter Nesbit so that we may inform ourselves as to exactly what has been done in the interest of our members. We intend to keep in close touch with the trials of our men as may be indicted and our visit to Marion at this time is so that we may keep ourselves informed at the very inception of the litigation and follow the litigation closely as it progresses. The union will spare no expense in defending its members and in order to get the best results for them we feel it is necessary to keep posted in every detail with matters that are of necessity connected with their defense. "We have a proper appreciation of the magnitude of the forces that have combined to convict our members and we shall leave nothing undone that will enable us to combat these forces. The very magnitude of the agitation, which is nationwide, for conviction in connection with this trouble jeopardizes the freedom of innocent men and makes it necessary that the state organization furnish every possible means of defense for our members and that we shall do."

Takes International Aspect
Today's inquiry took on an international aspect when it was learned that an effort was being made by the grand jury to determine whether Mexicans were among the victims of the trouble in connection with the mine war which added freight charges with which added freight charges paid foreign lines, cost it two or three times the former price. Thru these concurring losses in revenue and unusual expenses the company has fallen behind, exhausted its current resources and is not able to continue operations without accumulating a large floating debt which the directors did not feel justified to incur and probably could not have incurred. "The board of directors, therefore, felt that no other course was open to them than to acquiesce in a receivership for the preservation of the property in the interest of creditors and security holders."

Strikes Are Blamed.
The coal and rail strikes were blamed by H. L. Stuntz, assistant to President Beird for the insolvent condition of the company. President Beird is in New York where the directors met today. "The directors decided today," Mr. Stuntz said, "that they could not properly protect the stockholders and creditors without the aid of the court and so this step was decided upon. I do not know just how it was decided that the Texas company should file the petition."

"The Chicago & Alton, a great railroad and a highly valuable property from all aspects, has practically succumbed to the continual industrial warfare and is placed in a position of being unable to pay its obligation without the assistance of the United States Court."

"The coal strike beginning in April cut our tonnage in half. The shop crafts strike cut our remaining capacity in half crippling us beyond hope. It is ridiculous to pretend the company could pay its obligations and protect its stockholders under present conditions, unaltered. We have been crippled until I have become impatient."

Today's Events at the County Fair

The Shorthorn Cattle show will be one of the principal attractions at the Morgan county fair this morning. The entry list is especially large and the judges are promised a very difficult time in awarding the ribbons when these cattle are brought into the show ring.

The racing card will be one of the very best of the week. In addition to the three harness races originally arranged, there will also be a special running race, known as the merchants' stake, business men of the city making up the purse.

Light harness horses will be shown this morning in front of the grand stand, as well as a number of draft animals. In the show tent at the same time the awards will be made on Spotted China and Berkshire hogs, competition being keen in these classes of livestock.

The Waverly band, which has the reputation of being a dandy musical organization, is to furnish music thruout the day. Daredevil Chandler will give his high dive at 2 o'clock and the balloon ascension at 5 o'clock. He will give a second high dive at 9:30 p. m., immediately after the style show.

FRANCE DETERMINED TO ENFORCE GERMAN REPARATION PAYMENT

Is Preparing to Enforce
Guarantees on Her
Own Account

(By The Associated Press)
PARIS, Aug. 30.—Grim determination to obtain reparations from Germany, seize guarantees and enforce such payments in the event that the reparations commission's decision tomorrow should grant a moratorium to Germany without exacting the securities demanded by France is everywhere evident in French official circles tonight. While officials announcement is withheld, in order not to interfere with the work of the commission and owing to the desire of the French government to allow the German delegates every possible opportunity to make a final proposal which might be acceptable to France, French officials talk and act as if the plan were adopted and France's decision to take coercive measures against Germany had been decided upon.

The war office also is busy and is in constant communication with General DeGuttes headquarters at Mavence; large movements of troops were reported from Nancy, Metz and the Rhineland and there seemed to be no doubt in the minds of officials generally that the occupation of the Ruhr was a foregone conclusion should the commission's decision go against France.

Herr Schroeder's propositions to the commission are described as absolutely unacceptable. Premier Poincare had a long conference tonight with M. Viviani, and the minister of finance M. DeLaseyrie. Later he received Andre Lefevre, former minister of war, a most persistent advocate of the adoption of strong measures toward Germany.

M. Lefevre appeared in great spirits as he emerged from the Poincare conference. "Must Go and Take It. "Our only chance to get anything from Germany," he said, "is for us to go and take it. This is what I have been preaching since the signing of the peace treaty. I am happy to find that my viewpoints will prevail."

WOULD PREVENT PROBATION OF ESTATE

MARQUETTE, Mich., Aug. 30.—The legal fight started by the state of Massachusetts to prevent the probate in Michigan of the estate of the late John M. Longyear and to effect payment by Longyear's heirs of approximately \$300,000 tax in Massachusetts had been settled out of court, a compromise having been agreed upon it was learned today. By the terms of the settlement executors and trustees of the Longyear estate have agreed to pay \$25,000 to Massachusetts and the attorney general of that state has agreed to drop legal proceedings.

The court house will be closed at 1 o'clock today on account of the Morgan county fair.

TRUE BILLS ARE FOUND AGAINST BOARD MEMBERS

Members of Chicago School
Board Are Indicted by
Grand Jury

(By The Associated Press)
CHICAGO, Aug. 30.—Twelve school board officials, officials and employees of companies doing business with the board and politicians were named in true bills voted by grand jury. According to an announcement by representatives of the state's attorney's office those named were: P. H. Moynihan, a member of the Illinois Commerce Commission and head of a photograph company which sold many talking machines to the board.

Free Moynihan, a brother of P. H. Moynihan and a secretary of the photograph company.

T. J. Hickey, head of a supply concern which sold to the board.

Fred W. Kregle, assistant business manager of the board.

Charles Ward, a politician said to be connected with several companies selling supplies to the schools.

Edgar J. Offlighter, general superintendent of construction for the board.

Joseph Heck, president of the Wisconsin Lime and Cement company.

All of these men, with William A. Bither, former attorney for the board who was indicted some time ago and who is named in the new true bills were charged with conspiracy to defraud the board.

Edwin S. Davis, former president of the board, and Albert H. Severinghaus, former vice-president, Charles J. Froberg, business manager and Bither were named in a malfeasance, true bill, it was asserted.

The action of the grand jury followed a long investigation of land deals made by the school board and the purchase of supplies. Several members including the president, resigned as a result of the investigation.

DECLARED LEGALLY DEAD BY COURT

(By The Associated Press)
SPRINGFIELD, Ill., Aug. 30.—Harold L. Dodd, son of Jesse W. Dodd, of Spokane, Washington, was today declared legally dead by the Sangamon county probate court, and his heirs were given possession of an estate of approximately \$10,000.

Harold Dodd, then 28 years old, walked out of his home here in 1914 and was never seen again by his relatives. A letter was received from him dated at Salt Lake City in June 1915 and then nothing further. His father believes he succumbed to cancer from which he was suffering. Besides his father, his sister Mrs. Mae Dodd Harbeson of Spokane is an heir.

RECEIVE URGENT APPEALS FOR COAL

(By The Associated Press)
WASHINGTON, Aug. 30.—Urgent appeals for coal are being received by the federal emergency organization from various states, federal fuel distributor Spencer declared tonight with states which do not produce coal making special requests for fuel. "The demand from Mississippi Mr. Spencer said, especially for the cotton manufacturing industry is quite insistent. Demands from Michigan, Virginia and Maryland are quite urgent. "The federal distribution commission looks for a considerable improvement in these local acute situations within a week or ten days as the flow of coal tends to move in natural channels."

SENATOR JOHNSON WINS NOMINATION FOR U. S. SENATOR

Has Lead of Over 67,
000 Over Opponent
Charles C. Moore

(By The Associated Press)
SAN FRANCISCO, Cal., Aug. 30.—Senator Hiram W. Johnson's lead for Republican nominee for senator from California in yesterday's primary stood at 62,711 tonight, with about two thirds of the votes counted. His vote in 4,325 precincts out of 6,695 was 218,013 to 155,302 for Charles C. Moore, San Francisco engineer and president of the Pan-American Pacific Exposition in 1915.

Only four counties in the state out of 58 went for Moore, two of them being Los Angeles and San Diego.

At the November election Johnson will be opposed by W. J. Pearson of the Los Angeles, Democrat, Upton Sinclair, Pasadena, Socialist.

Governor W. D. Stephens apparently has failed of renomination in the Republican party, his opponent State Treasurer F. W. Richardson, having a lead of 7,802 in returns from about two thirds of the state.

T. L. Woolwine, district attorney of Los Angeles county was running almost two to one ahead of Mattison B. Jones, Los Angeles attorney in the contest for the Democratic nomination for governor.

Incumbent congressmen from California were generally conceded to have won both Republican and Democratic nominations in their districts.

Johnson headquarters issued the following statement: "This is the greatest victory in the political career of Hiram Johnson. He has won so decisively that there can be no cavilling at the result. His strength has always been with all the people."

"When he was nominated by the Republicans six years ago for United States senator, he had a great and deserved triumph. We are celebrating today the biggest victory in the political history of California."

"Johnson was opposed by the powerful forces that ever sought to tear down the ideals of popular government for which Hiram Johnson has fought. It was a great and deserved triumph. We are celebrating today the biggest victory in the political history of California."

NO COAL PROFITEERING IN ILLINOIS—MEDILL

By Associated Press.
CHICAGO, Aug. 30.—Assurances that there would be no profiteering in coal this winter were given to Robert M. Medill, fuel administrator today by Illinois operators. Householders were urged to cooperate by placing their orders for a two months supply now to prevent an excessive demand later.

Retail dealers declared that prices of coal quoted them at the mines showed increases ranging from 15 cents to 75 cents as against prices quoted a week ago while the increases over the prices quoted on April 1 ranged from \$1.10 to \$2.50.

They said the increases would be passed on to their customers. On the Illinois Central, the Burlington, the Chicago & Eastern Illinois, it was said that the total amount of coal loaded on August 22 was 1,202 cars while on the 26th it had increased to 2,679 cars.

ESCAPED PRISONERS RETURNED TO JAIL

By Associated Press.
MUSKOGEE, Okla., Aug. 30.—Six of the nine men who escaped from the Muskogee county jail last night were behind the bars again tonight.

Three who were caught after a sensational chase this morning near Claremore, Rogers county, were brought back to their cells here this afternoon. They are William Bennett, leader of the escaping band whose dash of pepper in a jailers' eyes gave them an opportunity to escape and Frank and George Savage, brothers also charged with serious offenses. Three more were captured later in the day at Claremore and are in the county jail there. Under-Sheriff Sullivan of Muskogee was badly hurt this evening when the car in which he and other officers were bringing their prisoners back to Muskogee collided with another car at Ingla.

FATE OF BONUS BILL AT WHITE HOUSE IS PARAMOUNT QUESTION

President Has Given Out Nothing to Indicate Probable Action—Not in Sympathy with Reclamation Project and Payment of the Bonus By Allied Debt Interest

WASHINGTON, Aug. 30.—All pending amendments to the soldiers' bonus bill were disposed of today by the senate, but whether a final vote would be reached tomorrow depended upon the number and length of speeches. With favorable action assured the paramount question was the reception the measure would receive at the white house.

There was still no official word from the president but callers who discussed the subject with him today said they gained the impression that the addition of the land reclamation project and the provision for the payment of the bonus out of the interest on the foreign debt had made the bill even more objectionable than it was in its original form.

Again today the possibilities of a veto ran thru senate debate.

Senator McCumber, Republican, North Dakota, in charge of the measure contended that as reported the proposed legislation met the objections heretofore expressed publicly by the president.

Senator Borah, an opponent of the bonus, disagreed with Mr. McCumber, contending that the bill "ran directly counter," to some of the executive's objections and failed to meet others. He referred particularly to Mr. Harding's request for postponement until industrial and financial conditions had reached a more normal state and his disapproval of "piece meal" payments to the veterans.

Leading proponents of the bill urged thruout the debate that the senate refrain from loading down the measure with additional amendments which might furnish further ground for a veto. All proposed changes were rejected by decisive majorities. First the Bureau amendment to pay the veterans half cash immediately and the remainder in five years was voted down, 44 to 27. Then, without a roll call, the Smoot proposal to pay the bonus with a manufacturers sales tax was disagreed to.

Senator Smoot argued at length in favor of his plan to give each veteran a paid up life insurance policy, maturing in 20 years or sooner, at death but this was rejected 46 to 18.

Before offering it he eliminated the sales tax provision.

As they will on the final vote party lines disappeared on the roll calls. With the rejection 55 to 3, of an amendment by Senator Francis, Republican, Maryland, contemplating the donation by the veterans of part of their bonus to the establishment of educational institutions and hospitals over the country the bill was thrown to general debate with time limitation removed. Discussion was opened by Senator Shortridge, Republican, California who spoke for an hour and a half in support of the measure. Several of the senators plan to deliver prepared addresses tomorrow.

START NEW EFFORT TO RESCUE MINERS

(By The Associated Press)
JACKSON, Calif., Aug. 30.—A new effort was started today for the rescue of 43 or more men entombed in the Argonaut mine since last Sunday night. While work was continued at the difficult task of re-opening a man-way from the 3600 foot level of the adjacent Kennedy mine into the 4200 foot level of the Argonaut workings, other crews set to work to break thru a wall of rock and dirt from the Kennedy's 3,900 foot level, which would admit of entrance into the Argonaut shaft at a depth of 4,650 feet.

The belief was prevalent that neither crew could hope to reach the imprisoned miners in less than 48 hours.

One thing is certain, if Mr. Ford chooses to close his plants down on account of the high price of fuel, he can afford to meet any accruing loss. The earnings of the Ford plants for the past year are said to have been \$58,000,000.

Newspaper reports say that rapid progress is being made in the grand jury investigation of the Herrin horror. It is further said that secrecy now surrounds this plan was not followed before instead of making so much noise about the time and manner of conducting investigations. Preceding publicity is not usually of advantage in making investigations where indictments and conviction are expected.

Maintenance of way workers among the railroad employees have the sympathy of a great many people. The rate of wages fixed for some of these employees by the labor board does not give them pay equal to that given men in similar work under private employment. Taking into account the fact that many of these workers are only employed part of each year, the wage scale suggested is not sufficient to meet their ordinary living costs.

Along with other interesting financial items is the statement that a number of the largest automobile concerns have recently concluded the most successful year in their business history. This means that the percentage of profit on the amount of business done has been larger than ever before. With some of the companies this statement does not even except their war time prosperity.

In considering the enormous profits of the coal business, it will not be out of place to give a little study to a recent article in the Outlook. A summary of the coal industry as a whole is given and the facts presented to show that, contrary to common belief, the industry as a whole is not a big money maker.

In this regard it does not compare at all favorably with a number of the other large industries. The facts seem to be that some mines with favorable working conditions make enormous profits, while other mines under different conditions have a hard time paying interest on the actual investments.

The board of local improvements in arranging for the service of a chemist and for the testing of brick to be laid on Jacksonville pavements is seeking to give property owners insurance that they will get the best service possible for their money.

The inspection service can be secured at very slight cost and is certainly worth the money. The city has been very fortunate in the asphalt work done thus far in

BERTON BRALEY'S DAILY POEM

With Pleasure

By Berton Braley

(Mr. Poet, Dear Sir—Won't you write a poem about my sweetheart and me—Frances and Charlie—From a letter.)

FRANCES and Charlie, I'm flattered to hear from you. Ticked to get such a missive of cheer from you, Truly I take it a compliment clear from you. So I comply without waiting or parley; Herewith I sing of the lovelike air of you, Warble the faith and the hope of the pair of you, Fortune be generous, Cupid take care of you, Here's to the two of you, Frances and Charlie;

MAY you be calm in a world that is clamorous, May you be firm mid the worries that hammer us, May you continue delightfully amorous, Never grow crabbed and acrid and gnarly;

Love hold you fast in the mightiest clutch of it, May you know sorrow—the least tiny touch of it, May you have money, but never too much of it, Here's to the luck of you, Frances and Charlie!

YOURS be a domicile full of felicity, Cosy and snug in its quiet simplicity, May you be spared most of fate's eccentricity— Problems and puzzles all tangled and snarly— Here's to your joys, may they never come scraggly, Here's to success—may they conquer it snappily, May all your troubles be Little Ones, Happily, All this shall come to you, Frances and Charlie!

NEW DANCES (NEA)

Jazz dancing steps are passing out. This is announced in New York at the convention of the National Association of Dancing Masters.

They say that the popular dances this winter will be the tango, fox trot, straight waltz, canter and hesitation steps. Grandma, remembering the stately minuet, will look over the winter program and say, "What do you call jazz?"

Lewis H. Kretlow, 80-year-old dancing master of Chicago, comments: "I notice an increasing tendency among young people to improve the dance themselves. They are taking more interest in dancing gracefully. Jazz music has had a marked effect in degenerating the dance."

Another old-time dancing master at the convention is Major Ned Gaynor. He is 82, but still can "walk on eggs."

The major says: "Eighty per cent of the faults of position on the dancing floor are chargeable to the girl. It seems as if the girl of today cannot dance unless she has a death grip on the neck of the man. The trouble is, the average girl doesn't know how to dance. She learns at schools run by promoters who have no conception of the art of Terpsichore."

The thing most dancers lack is knowledge of proper posture, says Miss Walz, at another dancing convention.

"In standing it should be heel to instep—that denotes social equality. Heel to heel denotes inferiority. Legs spread apart, either standing or sitting, spells vulgarity. Slouching should be avoided by holding the diaphragm in. If these things were kept in mind, vulgar dancing would soon be forgotten."

Miss Walz must know what she is talking about. Recently she starred a dance in Philadelphia, attended by 35,000. Very important subject is dancing, in millions of lives. More people are interested in stepping off to music than are interested in the tariff or a conference on international law. So it goes with baseball, golf, movies and home brew. Humanity is 95 per cent emotional. After all, it may be happier that way.

NOTED PROFESSOR

VISITING HERE

Professor Henry B. Dewing, and son Charles of Princeton, New Jersey and Professor Dewing's uncle John Ogden of Winton, Connecticut, are guests for a few days at the home of Dr. Carl E. Black on West State street. They are motoring across country from Princeton to Austin, Texas, where Professor Dewing will occupy the chair of Greek in the University of Texas. Professor Dewing was formerly a professor of Greek at Princeton in conjunction with Dr. Edward Capps, formerly of this city. He was for two years secretary of the American Red Cross commission to Greece, both Dr. Capps and Dr. Black being fellow members of the commission. He also was at one time a teacher in Roberts College at Constantinople.

ERRORS IN NAMES

The name of Mrs. O. E. Ragan should have been Mrs. O. E. Ryan of Franklin in the list of awards that were granted at the Morgan County Fair. Mrs. Ryan received first prize for yellow cling peaches.

In the list of fair awards printed in Wednesday's Journal it stated that J. W. Bowen received first prize for best display of five or more varieties of grapes. This is in error as William Kirby received the prizes.

HAD NARROW ESCAPE AT ALEXANDER YESTERDAY

G. W. Bender and Son Were Occupants of Car Struck by Wabash Cars—Escape From Injury Is Almost Miraculous—Other News.

Alexander, Aug. 30.—George W. Bender and son had a very narrow escape from serious injury about 5 o'clock Wednesday afternoon, when the auto in which they were riding was struck by some cars which were being switched on the Wabash railroad there. The cars started up just as Mr. Bender drove across the tracks and the accident was unavoidable. The occupants of the car leaped just as the impact came, thus escaping injury. The auto was caught between the cars and dragged a considerable distance, and was badly damaged. Mr. Bender was on his way to his home a few miles south of Alexander when the accident happened.

ROAD TO ROODHOUSE

OPEN FOR LABOR DAY

The road between Manchester and Roodhouse has been closed for the past two weeks on account of hard road work in progress. However, upon account of the Labor day celebration at Roodhouse next Monday arrangements have been made to open the road to public use on that day. The fact that the road can be used will mean that visitors to Roodhouse from Jacksonville on that day will be able to avoid the difficult detour route that has been in use.

PETEFISH FAMILY HAD REUNION AT VIRGINIA

Large Crowd in Attendance at First Annual Reunion of Petefish Family Wednesday—Officers Named.

One hundred and thirty-nine persons were registered at the first annual reunion of the Petefish family held at the home of M. C. Petefish in Virginia Wednesday. It was planned to make this gathering of the whole Petefish family an annual affair, and officers were elected as follows:

President—Marcellus Petefish, Virginia.

Secretary—treasurer—C. M. Woods, Springfield.

Corresponding secretary—Glenn Petefish, Virginia.

At the noon hour an elaborate dinner was served on tables which had been arranged on the lawn. The home of Mr. and Mrs. Petefish is built in the center of the old fair grounds at Virginia, and the grounds are therefore very spacious.

In the afternoon the following program was carried out:

Address—Rev. D. V. Goudy, pastor of M. E. church at Virginia.

Address—A. E. Schaffer, Beardstown.

Address—Robert Brown, of Springfield, superintendent Washington street mission.

Address—Rev. Max Wiles, Virginia.

Several pictures were also made during the afternoon of the entire family group. It is interesting to note that the persons present at this reunion are all descendants of Jacob and George Petefish. The latter was the father of A. W. Petefish of Litchberry, who is the oldest living member of that branch of the family. It was a matter of general regret that Mr. Petefish was unable to be present yesterday. The original founders of the family came to Illinois in early days from Rockingham county, Virginia.

It was decided to have next year's reunion on the third Wednesday in August, the place to be announced later.

Those present were Mr. and Mrs. A. C. Shaffer, Beardstown; Mr. and Mrs. R. C. Williams, Mrs. Haneline, Mrs. W. Bartlett, all of Macomb; Mr. and Mrs. Robert Brown and daughter, Mr. and Mrs. C. M. Woods, Mrs. Carol Woods, son Robert and daughter Martha, Springfield; Mr. and Mrs. E. Petefish and son Charles, Mr. and Mrs. Russell Petefish and son Lowell, Springfield; Ben Petefish, Lena, Ark.; Mr. and Mrs. L. H. Petefish, Mr. and Mrs. Taylor Petefish, Lawrence, Kans.; Mr. and Mrs. Melvin Smith, Concord; Mrs. Mrs. Crum Thompson, Mr. and Mrs. Noah Smith, Mr. and Mrs. Angier, Miss Margaret Angier, Mr. and Mrs. Ruel Crum and sons Woods and Charles, Mr. and Mrs. Glenn Petefish and son George, Mr. and Mrs. Earl Crum, son Lester and daughter Mary Elizabeth; Mr. and Mrs. F. C. Petefish and son William, Mr. and Mrs. Favre Wilson, Mr. and Mrs. George Rexroat, Misses Verne and Virginia Rexroat, Mr. and Mrs. Fred Bailey, all of Virginia; Mrs. Cobb, Jacksonville; Betty Petefish, Mr. and Mrs. Edna Petefish and daughter Edith, Beardstown and son, all of Jacksonville; Mr. and Mrs. Harry Petefish, sons Earl, Harold and Paul and daughter Marjorie and Helen; Mr. and Mrs. A. D. Petefish and sons Ruel, Wesley and Garlan; Mrs. A. W. Petefish, Orville Petefish, Dewey Petefish, Miss Lora Petefish, Mr. and Mrs. Jesse Petefish and daughter, Sarah Frances; Mr. and Mrs. John Myers and daughter May and son Earl, Mr. and Mrs. Arthur Litter and daughter Eleanor, Perry Henderson, Mr. and Mrs. Frank Ogle, daughters Dorothy and Irene Ogle and son Byron, all of Litchberry; Mr. and Mrs. William Price, Mr. and Mrs. Robert Hall, Mr. and Mrs. Yapple, all of Virginia; Mr. and Mrs. O. M. Petefish, Litchberry; Mr. and Mrs. Charles McDonald and son Farrell, Jacksonville; Mr. and Mrs. Charles Clark and Miss Floy Clark, J. J. Clark, Arcadia; Mr. and Mrs. Thomas Nesbit and family, Virginia.

and a number of other Illinois cities have similar contracts.

The board made arrangements with managing officer Woolston of the School for the Blind to have the chemist's quarters in that institution so that he will be near the asphalt mixing plant of the Standard Paving Co., contractors for the local work.

The chemist must have gas and electricity to use in connection with the tests he makes. A test will be applied to each lot of asphalt as it leaves the mixing plant for spreading on the street which is to be improved.

The arrangements made do not indicate any lack of confidence in the Standard Paving Co., or Mr. Thatcher, officer of the company who is in charge of the local improvement, but the city is simply following out a plan which has proved very beneficial in a great many other cities.

The contracting firm is entirely satisfied to have this sort of inspection work. It is Mr. Thatcher's statement that the company desires to give the best service possible and to maintain its reputation for first class work so well comes the inspection service as a possible aid in maintaining the best standards.

The new Goodyear Cross-Rib Tread Cord

A Real Cord Tire for Small Cars at a Popular Price

The new Goodyear Cross-Rib Tread Cord in the 30x3 1/2 inch clincher type is a tire that the small car owner will warmly welcome.

It gives him, at a price lower than the net price he is asked to pay for many "long discount" tires, every advantage of quality cord tire performance, for it is a quality tire through and through.

It is made of high-grade long-staple cotton; it embodies the reliable Goodyear quality of materials; its clean-cut tread engages the road like a cogwheel.

The scientific distribution of rubber in this tread—the wide center rib and the semi-flat contour—gives a thick, broad surface that is exceedingly slow to wear.

The tough tread stock in this tire is carried down the side walls clear to the bead, making it rut-proof to an extraordinary degree.

In every particular it is a representative Goodyear product, built to safeguard the world-wide Goodyear reputation. Despite its high quality, and the expertness of its construction, it sells at a price as low or lower than that of tires which lack its important features.

The 30x3 1/2 inch Cross-Rib Cord clincher \$12.50

This price includes manufacturer's excise tax

Goodyear Cross-Rib Tread Cord Tires are also made in 6, 7 and 8 inch sizes for trucks

BABY CONFERENCE INTEREST CONTINUES

Fifty-Six Were Scored Wednesday
And Some Fine Records Made—
Corps of Workers Spent
Busy Day.

The better babies conference continues to be one of the very greatest attractions at the fair, and interest is undiminished. Fifty-six babies were examined Wednesday and Dr. R. V. Brokaw, county health officer, said last night that some excellent scores had been made. Only three of the babies scheduled for examination failed to appear. More than fifty babies are to be brought to the conference tent today.

The professional people and others who are devoting their time liberally to this work find the parents of the children thoroughly appreciate the purpose of the conference and are doing all they can to make it helpful.

Dr. David Reid, who is in charge of the medical examinations had as associate workers yesterday Dr. G. E. Baxter, Dr. W. C. Martini, Dr. T. O. Hardesty, Dr. Grace Deway, Dr. Josephine Milligan and Dr. W. C. Frank. Dr. Applebee, in charge of the dental examinations, had Doctors Smith and Chapman as his associates.

Assisting Miss Verner were Mrs. J. L. Johnson, Mrs. J. W. Elliott, Mrs. G. L. Merrill, Mrs. F. E. Farrell, Mrs. R. V. Brokaw, Miss Lucy Catlin, R. N.; Misses Maude NeSmith, Florence Chapin, Ruth Bradley, Margaret Tomlinson, Edna Hackett, Lillian Havenhill, Helen Walton, L. Maude Ryman, R. N., and Lucille Stevens, R. N.

MORE DRILLING RIGS COMING TO COUNTY

Active Operations Will Soon Be Underway—Messrs. Rhodes & Moorhead Assign Leases to Other Operators Under Contract.

Numerous oil leases made in recent weeks were made a matter of record Wednesday by Messrs. Rhodes & Moorhead, indicating the approach of drilling activities on lands northeast of this city. A number of sub-contracts have been made and within a very short time a number of rigs will be at work.

This increased activity is possible because of the showing made in the two wells that Messrs. Rhodes & Moorhead have put down on the Mahon farm, and further because of investigations made by geologists for operating arms.

The next wells are to be drilled on the Mahon, Cleary and Sell leases. A representative of the Standard Oil Co., has an engagement to be here Friday or Saturday to meet Rhodes & Moorhead, and the operators are very confident that on the basis of the showing already made, and the interest being taken by other operators, that the Standard Co. will desire to take over certain leases.

J. T. Schenck and C. H. Reece, who do business under the name of the Five Star Co., have also made a contract for drilling work. The Five Star Co. has, a very successful record. Messrs. Schenck & Reece were active in the Chanute, Kansas, fields and were the first to drill near Centralia. They have found the log of the second well on the Mahon farm showing practically the same structure as the Centralia field and that fact has something to do with the local interest they are taking.

Mrs. Lou Henry, son Grey and daughter, Bernice, were up to the city from Woodson yesterday.

ENTERED GUILTY PLEA TO LIQUOR SELLING

Jesse Reavis Given Jail Sentence of Sixty Days and Fine of \$300—
—Lighter Penalty For Two Others.

In the county court yesterday Jesse Reavis, who was arrested in a recent raid of State's Attorney Robinson against illicit liquor selling, entered a plea of guilty. Judge Samuell gave Reavis a fine of \$300 and costs and a sentence of 60 days in jail. The fact that this was a flagrant case was taken into account by the court in fixing the punishment.

Reavis freely admitted that he had made a number of sales of liquor. Chief of Police Kiloran testified that when the raid was made the officers found a large quantity of home brew in bottles together with a barrel of wine mash, and some other materials which plainly indicated the operations that had been in progress.

Pleas of guilty were also entered by Fred Hutchinson and Chas. Armstrong, against whom fines of \$100 and costs each were assessed.

FORMER RESIDENT HEARD ON RADIO

Local residents listening in on the radio at the Haas Electric company Wednesday night had the pleasure of hearing Mrs. Thad Morrison from the station of the Atlanta Journal at Atlanta Georgia.

Mrs. Morrison was formerly Miss Louise Reed, daughter of the late J. V. Read, a former Jacksonville resident and is a pianist of note. She is a niece of Mrs. Lillian W. King who was one of those who heard the concert last night.

A pleasing feature of the concert was announcements made during the evening. A telegram was received from Paul Morrison, a brother-in-law of Mrs. Morrison, residing at Decatur, Ala. A message also was received from a Mrs. Smith at Decatur, Illinois and one from Harry Leuhers of Springfield. The announcer stated that three telegrams had been received from cities named Decatur during the evening.

Mr. Irwin of Iowa, Kans., has also agreed to bring in a rig and is expected to have men at work here within ten days time. Mr. Irwin spent a number of weeks here last summer and secured several leases adjoining the Rhodes & Moorhead holdings.

The only qualification made to the plans for these immediate and extensive drilling operations is that they are dependent upon the next two or three wells making a showing equal to the second well on the Mahon farm, which is described as of 20 barrel size.

The Oil City Derrick in the last issue carried a news story about the Morgan county field and local operations have also been mentioned in other journals of the oil industry.

Among leases recorded were A. J. Boston, C. W. Cully, W. C. Cleary, Edward and Laura Armstrong, Logan Black, Mary E. Poyd, W. C. Baxter and Mary W. Price to Frank Byrns. A number of these tracts were assigned to C. F. Rhodes, A. L. Moorhead and Frank W. Aldrich.

The lease of C. M. Coons was made to C. A. Johnson and subsequently assigned to Messrs. Rhodes, Moorhead and Aldrich.

BUSINESS HOUSES WILL CLOSE TODAY

The banks of Jacksonville and practically all business houses will close this afternoon on account of the Morgan county fair. Thursday is Jacksonville day at the fair and the program is one of the best of the week. Persons who have not visited the fair grounds are certain to be surprised at the extent of the fair and the number of the attractions.

RETURNS TO TEACHING POSITION

William W. Kitzer of East Court street left yesterday for Louisville, Ky. where he will resume his position as instructor in French and History in the high school. He plans to stop in St. Louis for a few days for a visit with friends before going to Louisville. Mr. Kitzer graduated from Illinois College a few years ago.

AUTO TRAVELERS

Mr. and Mrs. W. C. Herman, Mr. and Mrs. Frank Freeman of Worthington, Indiana, drove in to the city Tuesday night on their way to the far west. They set sail early yesterday morning well pleased with Jacksonville.

FUNERALS

Randsell.

Funeral services over the remains of Mrs. Julia E. Randsell were held at Arthur G. Cody's funeral parlors yesterday afternoon at 2 o'clock. Rev. M. L. Pontius was in charge of the services.

Music was furnished by a quartette composed of Miss Cora Graham, Mrs. Mae Pitt, Thomas Rapp and Charles Rowe. The bearers were: W. E. Boston, J. S. Green, George M. Graff, Charles D. Randsell, Amos Coker and A. B. Oppermann.

Those in charge of the flowers were: Mrs. Mae Black and Mrs. N. S. Green. Interment was in Diamond Grove cemetery.

DeWitt.

Funeral services for the late Mrs. Minerva DeWitt were held yesterday afternoon at Second Baptist church. Rev. R. H. Hackley had charge of the services and the funeral sermon was delivered very impressively by Rev. George Mason, dean of the Baptist College of Jacksonville, Mississippi. Rev. John Kirk, Rev. B. N. Merrill and Quincey and Rev. Mr. Crockett, also had part in the services. A large number of friends of the deceased were present.

The ladies of "The Household of Ruth", of which Mrs. DeWitt had been a member, carried out their funeral ritual.

The bearers were: James Mathews, Cupid Mosely, John Easley, Ben Champ, James Young, and Henry Tandy. Burial was in Diamond Grove cemetery.

COUNTY FAIR NOTES

The horse show last night in front of the grand stand proved a very attractive feature. It was given under the direction of J. W. Arnold, and Fred Wharton. There were special lighting effects and some of Morgan county's finest horses were shown. Among those who rode stoppers were V. R. Riley, Morrison Worthington, Bert Way, Fred Wharton, W. H. Crum, Cupid Mosely, C. S. Black and A. D. Arnold.

The Merritt band added to the enthusiasm of this event with a concert program and the events of the evening concluded with another high dive by Mr. Chandler.

Dancing continues to be a feature on the spacious platform built near the east entrance to the grounds. Several waltz numbers have been added to the program arranged for tonight.

Dare Devil Chandler gave an unusually successful balloon ascension Wednesday afternoon. His parachute landed about one-half mile north of the Walnut street road, near the division line of the Applebee and Rowe farms. Mr. Chandler is a well educated man, of wide experience in the work in which he is now engaged, and the fair association feels fortunate in having secured his services.

One of the exhibitors at the fair is Charles Campbell of Jerseyville, who has livestock on view in several classes. Mr. Campbell has been an exhibitor at fairs for fifteen or twenty years, and is the owner of many blue ribbons.

The people should understand that there is no charge for entrance to the fair grounds after 4:30. Some people have been under the impression that a charge was made for the evening hours, but this is not the truth.

RETURN FROM TRIP TO NORTHERN ILLINOIS

Mr. and Mrs. Frank Elliott have returned from an automobile trip to Chicago, where they spent a number of days with their sons, Messrs. Frank and William R. Elliott. Returning they spent a day or two in the Fox River county visiting Starved Rock and other attractions there.

TWO ARRESTED FOR SPEEDING

Last night motor officer Reynolds arrested Olan McEvers and Kenneth Stapleton, on charges of speeding. McEvers is a farmer from near Winchester.

Mrs. Anna D. Caldwell and niece, Miss Emma McCracken of Manchester were recent guests of Mrs. E. O. Hess and family at 432 South East street.

Miss Edna Cook will leave today for Detroit, Mich., after a visit of several weeks with her parents on South East street.

EXPECT FIVE HUNDRED AT SCHOOL FOR DEAF

Col. O. C. Smith of I. S. D. announced yesterday that 500 children are expected at the school this year. Fifty-three teachers have been engaged to teach this large number. A teachers institute will open September 5th for the instruction of the new teachers.

It is planned to hold a six weeks normal course next summer at the local school in which teachers of the deaf from all parts of the country will be invited to participate.

SPANISH VETS WILL MEET HERE IN JUNE, 1923

In a letter received from State Commander Holsag of the Spanish War Veterans of Illinois, by Col. O. C. Smith, it was learned that the veterans will meet in this city, June 14, 1923. The convention will last two days and a royal welcome will be given the 500 men that are expected.

Mason Dean has returned to his home in Manchester after a brief visit with his friend, Donald Hess, in this city.

FUNERALS

Randsell.

Funeral services over the remains of Mrs. Julia E. Randsell were held at Arthur G. Cody's funeral parlors yesterday afternoon at 2 o'clock. Rev. M. L. Pontius was in charge of the services.

Music was furnished by a quartette composed of Miss Cora Graham, Mrs. Mae Pitt, Thomas Rapp and Charles Rowe. The bearers were: W. E. Boston, J. S. Green, George M. Graff, Charles D. Randsell, Amos Coker and A. B. Oppermann.

Those in charge of the flowers were: Mrs. Mae Black and Mrs. N. S. Green. Interment was in Diamond Grove cemetery.

DeWitt.

Funeral services for the late Mrs. Minerva DeWitt were held yesterday afternoon at Second Baptist church. Rev. R. H. Hackley had charge of the services and the funeral sermon was delivered very impressively by Rev. George Mason, dean of the Baptist College of Jacksonville, Mississippi. Rev. John Kirk, Rev. B. N. Merrill and Quincey and Rev. Mr. Crockett, also had part in the services. A large number of friends of the deceased were present.

The ladies of "The Household of Ruth", of which Mrs. DeWitt had been a member, carried out their funeral ritual.

The bearers were: James Mathews, Cupid Mosely, John Easley, Ben Champ, James Young, and Henry Tandy. Burial was in Diamond Grove cemetery.

The Relief for Eyestrain

Unfortunately many people in Jacksonville are handicapped by imperfectly formed eyes. Farsighted, nearsighted and astigmatic eyes are all too common. Each of these conditions indicates a need for lenses that will enable the eyes to perform their duty in a normal, healthy manner—without strain or discomfort.

The only correct remedy for imperfect eyes is properly prescribed glasses—the kind we fit and guarantee.

MISS CHANEY WINS HONORS AND EXCELLENT POSITION.
Miss Rena Chaney, formerly of this city, graduated recently from Griffin & Murphy commercial school in Seattle, Washington, where she had been taking advanced work in shorthand. She received the honors of the institution, her grade being 99 1-3.

She is said to be the best student that ever graduated from the institution. Miss Chaney has accepted the position of assistant principal and teacher of shorthand in the high school of Waterville, Washington. She is a graduate of Illinois college in the class of 1921.

WILL WORK FOR UNCLE SAM.
Miss Lydia Voltrath of South Main street left yesterday for Washington where she will resume her work with the government after a year's absence, spent in Quincy.

FORMER RESIDENT DIES AT KEWANEE

William Henderson Passed Away at Advanced Age—Was Prominent Resident of Galva for Many Years.

The death of William Henderson of Galva, Ill., occurred recently at St. Francis hospital in Kewanee. The deceased was well known in Morgan and Cass counties and was born Feb. 1, 1839, on a farm one mile east of Arcadia. He was a brother of Walker Henderson of this county and a brother-in-law of Stansfield Baldwin.

The injuries from which death resulted were sustained by Mr. Henderson nearly two months ago when he fell from his bed and his hip was broken as a result. He was removed from Galva to the Kewanee hospital shortly after the accident.

The deceased was married to Miss Ann Elizabeth Jewett in this city in 1868, shortly after removing to Galva, which has since been their home.
For almost forty-three years Mr. Henderson was a commission merchant in Galva, for a time in partnership with V. L. Short and later with Stephen Garrison. About eleven years ago he was compelled to retire from active life on account of ill health. He was active in city affairs, serving for several years on the town

board, and during the years had come to fill an important place in the community life.

Four children were born to Mr. and Mrs. Henderson, two of them preceding their father in death. Miss Lavina Henderson, who died in 1910 and Frank Henderson, killed in an auto accident in Toledo in 1911.

Mrs. Henderson passed away in Galva May 15, 1910. The surviving children are Mrs. E. S. Richardson, Lansing, Mich., and Mrs. E. M. Hanes, Galva. There are two grandchildren and three brothers and one sister, Henry and Lincoln Henderson of Nevada, Mo., Barney of Los Angeles, and Mrs. John Stout of New York City.

GOOD ROADS MEN HAVE TENT AT FAIR

One of the popular tents on the fair grounds is that maintained by the Morgan County Good Roads association. Many road maps and charts of proposed road improvements are on exhibition and the visitors at the tent will be assured of a pleasant visit by the men who are taking turns staying at the tent.

CHICKEN FRY TONIGHT AT ISLAND GROVE

Extensive Preparations Have Been Made by M. E. Church For Chicken Fry Tonight.

A chicken fry is to be given tonight on the lawn of the parsonage of the Methodist church at Island Grove, serving to begin at 5 o'clock. It is anticipated that a large crowd will be in attendance and everything possible has been done to facilitate the work of serving.

Rev. S. O. Graves, pastor of the church, has been in general charge of the arrangements, assisted by Miss Elizabeth Smith. The serving is in charge of Mrs. Mollie Wilcox, Mrs. Frank Walters and Mrs. McMillan. The ice cream stand is to be in

charge of Miss Bettie Smith while Miss Harriet Smith will have supervision of the apron table. Mrs. Ben Brown will superintend the candy table, while the fish pond will be in charge of Misses Ruth Smith and Martha Holt, the latter of Decatur. Richard Dana will be the cashier.

FRANK BYRNS Hat Store will be closed this afternoon in honor of Morgan county fair.

LEAVES FOR WASHINGTON

Miss Lydia Vollrath of South Main street left yesterday morning to take a government position in Washington, D. C. Miss Vollrath has spent the past year or two in Quincy.

BIG FASHION SHOW WILL OPEN TONIGHT

All in Readiness For Opening of Big Pageant—Many More Hats And Gowns Arrived Yesterday.

Jacksonville's big Fashion show will open tonight. This event has never been staged with such magnitude in the city before. Tickets have been selling fast and a record breaking crowd is expected. It is urged that everyone come early and be in his seat by eight o'clock as the show will start promptly at that hour. Mayor Edgar E. Crabtree will open the show with a short address. The program will then be carried out as follows:

1. Showing of latest creations in women's suits, by live models.
2. Showing of mens clothing.
3. Frank Kirk of the Harvey Minstrels in his burlesque, entitled, "Souza the Bandmaster", he will also present other burlesques.
4. Showing of the latest in women's afternoon gowns.
5. Showing of mens suits.
6. A vocal selection by Miss Beulah Tull, accompanied by Miss Dorothea Sargent of Franklin.
7. "Train and Train" in a vaudeville sketch entitled "15 Minutes in the Dressing Room."
8. Showing of womens coats.
9. Showing of evening gowns.
10. "James and Shaw" will present their latest musical show which includes the newest and snappiest in the world of song and dance, entitled "King and Queen."

Such talent as is booked above needs no recommendation. Train and Train, and James and Shaw, are vaudeville actors of the first rank who have appeared in all the largest and best theaters and acted in the best vaudeville circuits including the Orpheum and Keiths. These acts alone are worth the small admission charge. Besides, and what will interest the ladies most, there is the showing of all the very, very, newest styles. Yesterday a great stock of new gowns and millinery was received. These new gowns far outnumber the amount expected and will dazzle the eyes of each beholder and tempt every woman to heart's extent.

Miss Beulah Tull needs no introduction to local people. She is a singer of ability and favorite with local audiences.

The Woodson band, including twenty-five musicians of the best class, will furnish music thru the greater part of the program.

The Dive for life will be held immediately at the end of the big two hour program. The fashion show audience may remain seated on the grandstand and see the dive perfectly. This dive was witnessed by many yesterday and brought for many exclamations as to the daring of the diver.

A large platform has been erected opposite the grandstand and the handsome scenery of the School of the Deaf theater has been kindly loaned by Col. O. C. Smith to add beauty and reality to the performance.

And to think, this whole evening of the best entertainment is obtainable for only twenty-five cents, for of course you know that there is no gate admission at the fair grounds after 4:30 p. m. But if you want to be able to see the fashion show its managers say that you must get your tickets immediately as they have been going very fast.

ANOTHER GOOD RACE PROGRAM WEDNESDAY

Track Was Rather Slow at the Start, But the 2:25 Pacers Stepped One Heat in 2:17 1/4—Large Crowd Witnessed Events—Ponies Bolt Track in the Pony Race

RACE PROGRAM TODAY

2:17 Trot, \$200 added—Probable starters, Leon DeForrest, Sylvia Bell, Sterling Dillon.

2:14 Pace, \$200 added—Probable starters, Jess Willard, Red B., Constant Dillon, Clara Todd, Lopy Forbes, Miss Bergan.

Green pace—\$25.00 added.

Also a half mile dash running race for purse offered by the merchants.

Another good card of races was witnessed at the Morgan county fair Wednesday, tho the finishes were not as exciting as those of the opening day. The rain Tuesday night and early Wednesday morning made the track rather heavy and it was somewhat muddy in the back stretch.

However, Clark Green hooked a harrow on the back end of an auto truck and worked the track for several hours. In addition to this owners of automobiles drove their cars around the track. The result was a fairly fast track when the first heat of the 2:25 pace was started and it got better as the afternoon advanced. If no more rain falls the track should be lightning fast when the first race starts this afternoon.

The 2:25 pace, the first race on the card, went four heats before a decision was reached. Red Bill won the first heat in the fastest time of the afternoon. However, he could not repeat and Lopy Forbes won the next three heats, tho he was hard pressed by Johnnie Todd in the second and third heats.

Charles Valentine won the half mile trot in hollow fashion, outclassing the field. The best time was 1:18. The races were run off in good time tho the first race was not started until nearly 3 o'clock. The last race was over about 4:30 o'clock.

One of the best features of the afternoon was the pony race for boys. The ponies ran a half mile yesterday. Starter Deatherage instructed the boys before the race. He told them that if he rang the bell when they came down to turn around and come back. But the boys never paid any attention to the bell but went on and had a real horse race. Russell Reid on Trix winning the race in 1:03. Two of the ponies bolted the track at the upper turn but fortunately no one was injured.

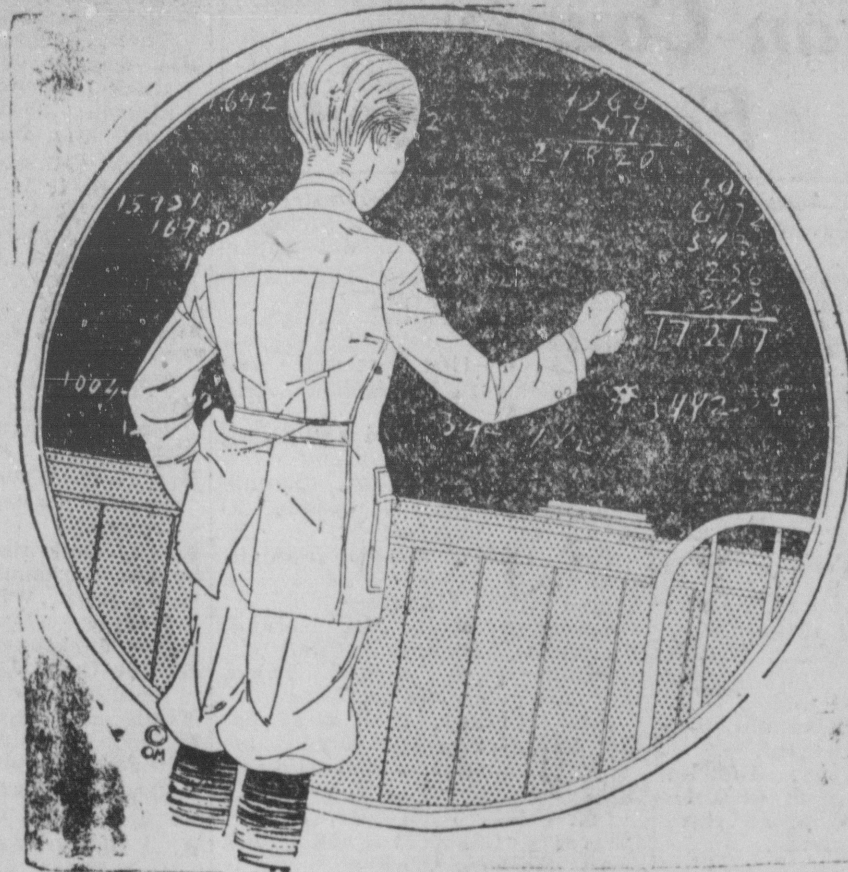

Before the races Dr. J. W. Dickey of Versailles gave an exhibition with his high school horse before the grand stand. The animal proved to be well trained and the spectators thoroughly enjoyed the performance. Dare devil Chandler also made his high dive during the afternoon.

2:25 Pace

In the draw for positions Constant Dillon got the pole, Illinois Joe second, Reg Bill third, Johnnie Todd fourth and Lopy Forbes on the outside.

They got away the fourth time down to an excellent start. Red

Illinois Joe was drawn in the third heat. They got away to a fine start. Lopy Forbes took the lead and was in front all the way. Dennam with Constant Dillon moved up after passing the quarter. The last half it was a horse race all the way. In the stretch both drivers got everything they could out of their mounts but Lopy Forbes outfooted Constant Dillon and won by a head at the wire.

After scoring four times they were given the word. Lopy Forbes took the lead with Johnnie Todd in the place. They raced evenly but Lopy Forbes held the lead and won easily in 2:33 1-4, with Johnnie Todd second Constant Dillon and Red Bill were unsteady and made several breaks and finished away back.

Half Mile Trot

Roaming Ted drew the pole. Charles Valentine second. Holyrood Bond third. Ruth King on the outside. Valentine took the lead closely pressed by Holyrood Bond. In the stretch Wood made a hard drive but the brown gelding was too fast and he went to a break right at the wire and Valentine won in 1:18. Roaming Ted third and Ruth King fourth. In the second heat they got away the third time down. Valentine lead all the way and the Dennis made a hard drive in the stretch with Roaming Ted he did not have the speed and Valentine won easily in 1:23.

They scored four times before getting the word in the third heat. Valentine lead all the way and won easily with Holyrood Bond second, Ruth King third and Roaming Ted fourth.

Suit Economy

It is the practice of many men to give an order for several suits at one time. It costs a little more to get started—stocked up, but in the long run is far cheaper and the man always appears extraordinarily well dressed.

But say four suits at one time, change each week and three weeks will elapse before you appear again with the same suit; it has been forgotten by your friends and its reappearance gives them the impression of "another new suit"—prosperity.

Wearing and resting your clothes in this manner prolongs their life almost indefinitely as creases and wrinkles and minor wear do not become permanent and frequent cleanings and pressings are unnecessary.

It will be a year or more before there is need to buy another suit and then only one, and here is where the economy begins to show strong.

And above all is the wonderful feeling of satisfaction had by the man who always is well dressed; the assurance it gives and the prestige.

Many people are able to follow out this plan, and would if they only knew its advantages.

Suits made to measure from our weaves, as we make them, are certain to give you perfect satisfaction in point of first cost, permanence of wear and appearance.

That's What Broadway's Bright Lights Cost This Man in Five Months to Gain Fame as -Spender

"DIAMOND MARTY" KLINE

By Bob Dorman

New York—What does it cost to see Broadway? A thousand dollars a night says Broadway's most spectacular spender.

He is "Diamond Marty," otherwise John Martin Kline, theatrical 'angel' and real estate broker.

"I ought to know," he says, "for I have spent \$150,000 along Broadway the past five months. I have been the kind of a fellow they love along the Great White Way—a spender."

"Diamond Marty" wears a 35 karat diamond ring, a stickpin that looks like a headlight, and so many other gems that he is acclaimed as the successor to the late 'Diamond Jim' Brady. Kline sprang into the limelight recently in a legal battle over a champagne bill in one of New York's gilded palaces.

"Broadway is still alive,—if you know the ropes," says Kline. "A spender has an exciting time. I like to watch the way they go after my money, the different schemes and tricks they use. Why, I've bought uarts of champagne and had them stolen right under my nose and taken back to the kitchen and sold to me over again."

Parasites Flourish
 "Parasites, men and women, flourish in Broadway's night life. Many a man in fashionable rig hasn't the price of his next morning's breakfast."

"And many a girl, dressed in the latest mode from Paris, is

wondering where the landlady's rent is coming from."

"It amuses me to see the difference I get from the captains in the restaurants the way the waiters bow and scrape, the affability of the managers and owners themselves."

"When I come in, the orchestra, even though in the middle of a piece, will stop and play some favorite tune of mine. They know there'll be a fifty for them."

"Should the floor be too crowded for comfortable dancing the captain will have them announce that 'Diamond Marty Kline will give an exhibition dance.'

Plenty of Service
 "Royalty never received more attention than the spender does on Broadway."

"But to maintain your honors, you must skip nothing. What your guests desire must be provided. And when they get tired of local color, a motor trip to the seashore is the thing."

"But don't think that I have any illusions as to the stability of Broadway friendships. When your money is gone you'll soon be forgotten. The ones that today eagerly seek you out will pass you on the streets unknowingly."

"But as a study in human nature Broadway. And I get my money's worth in its study. It's the one amusement that I find in life."

Kline at one time was a boxer and considered a promising contender for the bantamweight title but he deserted the ring when he inherited a fortune of half a million dollars.

ATTACKS OF CHIGGERS MAY BE REPELLED BY USE OF SULPHUR

Popular belief to the contrary, it's only in a figurative sense that chiggers get under your skin. The little kill-joys of the summer picnic in the woods are right there on the surface all the time, and it's just because they are too small to be readily seen without a magnifying glass that the victim thinks he has been burrowed into or entered by way of his pores.

This is one of the new lights thrown upon the pest by Department Bulletin 986, Studies on the Biology and Control of Chiggers, prepared by H. E. Ewing, specialist in mites, and now issued by the United States Department of Agriculture.

The chigger doesn't make his presence felt at once. He first scurries about on the victim so fast that even when he is spotted under a magnifying glass it is almost impossible to catch him. Evidently, he tries to see how far he can go, for it has been determined that tight pieces of dress, such as garters and belts, limit the altitude of operation. Almost total immunity has been secured by wearing top shoes and tightly wrapped leggings. Low shoes are particularly favorable to the acquisition of chiggers. When a chigger finally decides to attach himself, he clamps down by inserting his feet under the skin, and then the trouble begins.

Much protection can be had from chigger attacks by properly clothing the legs or by the application of repellents either directly on the skin or on the under garments. For this purpose, sulphur has been found to be a sovereign remedy. Dusting the legs with sulphur has resulted in total immunity in most instances, and a similar treatment of the stockings has proved equally effective in keeping off the mites. Infested areas may be freed of chiggers by dusting with sulphur. For this the use of 50 pounds to the acre is recommended. On

lawn the use of sulphur is unnecessary, as chiggers will disappear of themselves if the grass is kept cut short.

Chiggers can be best destroyed on humans before they become attached or very soon afterwards. After an exposure to chigger attacks the skins and ankles should be examined with a hand lens, even before any itching is felt. Applications of a thick lather of soap, commercial alcohol, or any of the lighter oils have been found to kill the larvae quite readily. Sulphur acts slowly, but if applied with soap and allowed several minutes to act should give good results.

The new semi-fitting knit jacket, just the garment for a fellow to enjoy, at the races, on the golf course etc. A good assortment is shown by FRANK BYRNS Hat Store.

Of soft, beautiful texture and colorings, they truly are a work of art, and a suit made as we know how to fashion them can give only highest satisfaction. They are very reasonably priced, too, and much lower than they will be again for a long time when you consider cloths in all shades and invite your inspection.

We also are ready with the celebrated Kinross Scotch worsted clothes in all shades and invite your inspection.

NOTICE.

State of Illinois ss.

County of Morgan

In the County Court of Morgan County, to the August Term, A. D. 1922, in Probate.

In the Matter of the Conservatorship of John Cherry, a Person of Unsound Mind.

Edward E. Brockhouse, as Conservator of John Cherry, a person of unsound mind, Petitioner, vs.

John Cherry, Defendant.

Decree to Sell Real Estate to Pay Debts.

PUBLIC NOTICE IS HEREBY GIVEN that, by virtue of a decretal order made and entered of record by said Court, in the above entitled cause, on the 7th day of August, A. D. 1922, the said Conservator will, at the hour of two o'clock, P. M., on Saturday, the 23rd day of September, A. D. 1922, at the South Door of the Court House in the City of Jacksonville, in the County of Morgan and State of Illinois, offer for sale and sell at public vendue, to the highest and best bidder, to pay the debts of the estate of said John Cherry, all or so much thereof as may be necessary to pay the debts now due from said ward and the costs of this proceeding now due and to accrue, the right, title, interest and estate which the said John Cherry has in and to the following described real estate, situated in the County of Morgan and State of Illinois, to wit:

Tract Four.

Lot 4 and 40 feet off of the West side of Lot 3 in Block 16 in the City Addition to the City of Jacksonville, except 120 feet off of the north end thereof.

Tract Seven.

Part of Lot 7 in Mathers and Newman's Addition to the town (now city) of Jacksonville, bounded and described as follows: Beginning at the northeast corner of said Lot 7, and running thence south 90 feet, thence west 60 feet, thence north 30 feet to the north line of said lot and thence east 60 feet to the place of beginning, subject to installments 3 to 10 inclusive for pavement on East State street for \$67.00 each.

Tract Eight.

Lot 13 in Simmons Heirs Subdivision and Addition to Jacksonville.

Tract Nine.

Lots 9 and 10 in Spaulding's Subdivision of Lots 3 and 4 in Block 28 in the City Addition to the City of Jacksonville.

Tract Ten.

Lot 235 in the Car Shops Addition to Jacksonville.

Tract Eleven.

All that part of the North West quarter of the South West quarter of Section 22 lying north and east of the former location of the right of way line of the Jacksonville & St. Louis Railway Company now the Chicago, Burlington & Quincy Railroad; the East half of the South West quarter of the North West quarter and the East half of the East half of the North West quarter of the South West quarter of the North West quarter of said Section 22, except beginning at the intersection of the west line of said last described premises with the south line of East State street in the City of Jacksonville, and running thence south 629 feet, thence east 176 feet, thence north 629 feet to the south line of said East State street and thence west 176 feet to the place of beginning; all in Township 15 North and Range 10 West of the Third Principal Meridian.

Tract Twelve.

Part of Lots 12 and 13 in Block 2 in an Addition to Jacksonville, bounded and described as follows: Beginning at the southwest corner of said Lot 13, and running thence east 37 feet, thence north 156 feet, 4 inches, thence west 37 feet more or less to the west line of said Lot 12 and thence south 156 feet, 4 inches to the place of beginning.

Tract Thirteen.

Part of Lots 12 and 13 in Block 2 in an Addition to Jacksonville, bounded and described as follows: Beginning at the southeast corner of said Lot 13 and running thence west to a point 77 feet east of the southwest corner of said lot, thence north 156 feet, 4 inches, thence east to the east line of said Lot 12, and thence south 156 feet, 4 inches to the place of beginning, with the appurtenances thereto belonging, and subject to right-of-way (5) feet wide off of the West side thereof as described in Deed Record 103 at Page 293.

Tract Fourteen.

Part of Lot 62 in Block 16 in Chandler's Addition to the town (now city) of Jacksonville, bounded and described as follows: Beginning at the northeast corner of said Lot 62 and running thence west 41 feet, thence south 120 feet, 9 inches, thence east 41 feet and thence north 120 feet, 9 inches to the place of beginning.

Tract Fifteen.

An undivided one-fourth interest in and to the following described parcel of ground: Beginning on the east line of Lot 62 in Block 16 in Chandler's Addition to the town (now city) of Jacksonville 120 feet, 9 inches south of the northeast corner of said lot, thence running south 10 feet, thence west to the west line of Lot 63 in said Addition, thence north 10 feet and thence east to the place of beginning, which said tract of land is to be used and enjoyed by the owners of the land abutting thereon as a perpetual right of way for footmen, horsemen, horses, cattle, automobiles and vehicles of every description. The above described property will be sold free and clear of the marital rights of Margaret Pace Cherry, wife of said John Cherry, therein, and will also be sold free and clear of mortgage and judgment liens, but subject to the annual taxes for the year 1922, payable in the year 1923, and subject to the existing tenancies

BIRTHDAY SURPRISE AT HOME NEAR CONCORD

Mrs. W. F. Nergenah Given Pleasant Surprise By Relatives On Birthday Anniversary—Other Concord News Notes.

Concord, Aug. 30.—Mrs. W. F. Nergenah was completely, though pleasantly surprised on Sunday the 27th, when eight automobiles rolled in, loaded with her married sons and their wives, and her married daughters and their husbands, and eleven grandchildren. On Saturday the 26th, Mrs. Nergenah was 66 years of age. For the convenience of those attending, the surprise was given on the day after Mrs. Nergenah's birthday. At 12 o'clock a mid-day luncheon was served on the spacious lawn in front of the house. Then at about 5 o'clock a fine dinner was served to all present including Mr. Otto Spieth and family of Jacksonville, and the Journal reporter. The menu consisted of a variety of sandwiches, salads, pickles, cake, fruit salad, ice tea, coffee and ice cream. Miss Anna, the only daughter at home, was ably assisted in the arrangements and work of preparing and serving by her sisters and sisters-in-law.

Mrs. Nergenah was a daughter of the late Hart Brockhouse, who was a well known and highly respected citizen of this precinct for many years.

On March 31st, 1875 Mr. and Mrs. Nergenah were united in marriage and resided for a time on what is now the Harmon Weiries farm between Concord and Meredosia. They now own and reside on the Brockhouse farm where Mrs. Nergenah was born and raised. To this farm they have added two smaller tracts. By thrift and economy they have put the farm in a good state of cultivation and added many substantial improvements, the last being a very neat bungalow now occupied by Arthur Nergenah and family as a residence.

Mr. and Mrs. Nergenah have nine children married and two more are at home with their parents.

Mr. and Mrs. Nergenah are in good health and bid fair to live many years and enjoy the fruits

of their labor and the high esteem of a large circle of friends.

Mr. Spieth took several group pictures of the 33 relatives present and they will be treasured for years to come no doubt.

The following is the list of those present on this delightful occasion: Mr. and Mrs. Edward Nergenah of Beardstown; Mr. and Mrs. Charles Nergenah and son Harold of Chapin; Mr. and Mrs. I. C. Brockhouse of Ansonville; Mr. and Mrs. John H. Wilker and daughter, Agnes and son Byron of Meredosia; Mr. and Mrs. Walter Nergenah and daughters, Lucille, Lola Ruth and Genevieve of Chapin; Mr. and Mrs. Merle Nergenah and daughter Margaret of Chapin; Mr. and Mrs. Fred Nergenah and son Paul Eugene and daughter Mildred of Meredosia; Mr. and Mrs. Arthur Nergenah and daughter Bernice and Mr. and Mrs. Alpha Nergenah and son Lodelle of Chapin, and Miss Anna and Nelson at home.

The Morgan county meeting of Odd Fellows held here last Wednesday was a decided success. Threatening rain kept the crowd from gathering in the forenoon, but they came out in the afternoon and at night to make up for it. The Perry band did themselves proud and we hope to hear more of their splendid music. The following officers were chosen at the business session in the afternoon: President, William Wilday; Vice President, G. W. Smith; Secretary and Treasurer, J. L. Tuscher; District Deputy, Clyde McAllister. The meeting for 1923 will be held in Meredosia.

Rev. Bunkerberger of New New London, Ia., spoke at the Christian church on Sunday morning at 11 o'clock and again at 7:30 in the evening.

A piano recital was given on Saturday night at the Christian church by pupils of Miss Alma Deterding. The church was well filled with a very appreciative audience. The program was as follows: Miss Deterding was assisted by Mrs. Arthur Bolle, violinist; Arthur Perbix, violinist and Warren Brockhouse, reader.

For Home and Country—Piano duet—Ruth Yeck and Mae Johnson.

In Happy Mood—Dorothy Wheeler, The Robins Lullaby—Marjorie Wegehoff.

To the Dinner—Carl Webb.

There Are Fairies at The Bottom of Our Garden (voice)—Mae Johnson.

Song of The Birds—Doris Way.

O'er Hill and Dale (duet)—Theresa Hamm and Mildred Hamm.

The Myrtles and Canzonetta—Esther Niekle.

Murmuring Spring—Theresa Hamm.

A Perfect Day (voice)—Marie Way.

(a) Pompanette, (b) Sunshower—Irma Perbix.

Reading—Warren Brockhouse.

Violin Solo—Arthur Perbix.

Good Night—Chorus.

Vernon Brainer went to E. M. Chrisman's on Monday for a visit.

Hubert Wester moved on Monday to the new tenant house of A. G. Brockhouse.

E. F. Geiss and Mr. Peters of Meredosia called here on business on Monday.

RISE IN PRICES IN STOCK MARKET

By Associated Press.
NEW YORK, Aug. 30.—Active
improvement in the industrial
and railroad strike situation was
largely responsible for the rise in
prices in today's stock market.
Nearly two score issues estab-
lished new price peaks for the year.
Reprints of increased car load-
ings, indications that bituminous
coal production was nearing nor-
mal and expectation of unprece-
dented freight traffic this fall re-
sulted in a broad inquiry for the
standard rails.

The U. S. Steel common reced-
ed 18 points and the preferred
dropped 38.

Independent Steels also suffer-
ed a severe set back upon cir-
culation of reports that the federal
commission was about to give an
unfavorable decision on the two
pending independent mergers but
later Washington advices indi-
cated that no complaints had
been filed against the proposed
Midvale-Inland & Republic com-
bination. Sales managers of the
United States Steel Corporation
are in session here and Wall
Street expects an announcement
of higher prices upon the return
to this city next week of Elbert H.
Gary, chairman of the board.
